

Tech Serve Team Travels To Papua New Guinea

The Telephone Team:

Earl & Ellen Nickelson, Norbert Huebner (NTM), Weston Syverson, Randy Riggs, Steve Snow, & Steven Thompson (NTM)

Tech Serve International recently partnered with New Tribes Missions - **Papua New Guinea**, to update and remodel their outdated phone system. The new system will enable New Tribes to operate more effectively in order that they can focus on their purpose - leading the indigenous tribal people of Papua New Guinea to Christ. Of the world's 6,500 people groups, 2,500 have never heard of Jesus. New Tribes Mission plants tribal churches by training, coordinating, and sending missionaries to tribes. Also, they translate the New Testament into tribal languages. Can you imagine what it would be like to receive the Living Word in your native tongue for the first time?! For all these reasons and more, the telephone team traveled over 17,000 miles to help New Tribes. A very special *thank you* goes out to all of our hard-working volunteers. Now, come inside and experience **Papua New Guinea!**

The Bottom Line

Tech Serve
International
PO Box 598, Greenbrier, AR 72058
