TECH SERVE INTERNATIONAL

2013 in Review

Tech Serve Volunteer Earl Nickelson with the telephone crew in Cameroon

Each year at Tech Serve we like to look back and see what the year held for our many volunteers and staff. We want to say thank you for volunteering, giving, and praying.

In this issue we would like to share this list of projects and pictures with you, and encourage you with what has been accomplished around the world for His Kingdom.

Merry Christmas and a Happy New Year!

Volunteers Make a Difference, Thank YOU!

Some 2013 Projects in Review.

Church Resource Ministries, Anaheim, CA: Complete system installed with training.

Young Life Lake Champion, New York: Complete Telephone system installation with Voice Mail / training

Ghormley Meadow Christian Conference Center: Complete Telephone System, wiring & protection for campus.

California Theological Seminary: Installed

moved system to new location in Garden Grove.

New Tribes mission Jersey Shore, PA Wayumi Campus: Installed TD500 system and rewired much of the campus.

Shepherds Grove Ministries: Wired multiple buildings. Installed 2 telephone systems with voice mails / moved systems

SIM Niger—Sahel Christian Academy: Reinstallation of system and re-wiring after flooding

Young Life Southwind Florida: Complete System Move

Young Life Sharptop, Georgia: Complete VOIP System Installed

New Life Ranch Oklahoma: 4000 feet of conduit installed, 3500 feet of fiber installed, terminated and lit to provide Gigabit backbone to the campus.

Young Life Crooked Creek, Colorado: Cable Rehabilitation and protection installation.

Tech Serve provides tech support for the life of each

system installed. This is ongoing work that is just as important as the initial installation. In 2013 TSI supported 100's of locations including:

Zion Christian Center, Orange CA: Reprogram, tune up and training

Global Recordings, Temecula, CA: Complete System Reprogramming

Mount Carmel Christian

High School: Complete System Reprogramming

Glen Oaks Christian Conf. Center, Yucaipa, CA: Reprogram, tune up and training

New Tribes Durham Ontario: System move / Support

Wind River Christian Dude Ranch, Estes Park, CO: Assess flood damage / rewire. And many more!

May God receive all praise and glory for the work of our hands!

In Addition to Telephone services Tech Serve assists in many other ways including purchasing and logistics, design/build services, generation and distribution, water projects, receipting and mailing services, loading and shipping containers, as well as sending volunteers to many countries for many projects. TSI provides the many parts needed to keep systems operational and usable. Here are some of the organizations in 2013 that we shipped parts to or provided help!

Dear Tech Serve friends,

A Word from Wes

Our thoughts turn gratefully to you with thanks this Christmas Season. You make our ministry successful through your prayers, gifts, and friendship. Our thoughts also turn gratefully to Jesus and what an amazing a gift He is. Merry Christmas and a Happy New Year.

Wes

“For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.” Isaiah 6:9

- ◆ Tech Serve is looking for volunteers to be involved. Share your expertise with us, we would love to talk with you about how to use your skills with us or others. Every skill is useful!
- ◆ Tech Serve is looking for an economical vehicle to help us accommodate volunteers and staff on project trips.
- ◆ Beraca Medical Center in Haiti needs a replacement telephone system, estimated \$3,000 for components. To donate indicate “Haiti Hospital”, or call for more information.
- ◆ Visit/Like our Facebook page to see current news about Tech Serve, or visit our website for more information about what we do — www.techserve.org
- ◆ Tech Serve is a Non Profit so your gifts are tax deductible and appreciated!
