Idig4Him

Merry
Christmas!
and a
Happy
2022!

He hath shown you, O mortal, what is good; and what does the Lord require of you, but to do justly, and to love mercy, and to walk humbly with thy God. Micah 6:8

Forest Springs Camp & Conference Center is a year-round Christian camp, serving kids, youth, and families through summer camps and seasonal events. With 4 locations in beautiful Wisconsin and Michigan, they serve thousands of people each year with great camping and conference experiences. This fall, Tech Serve crew installed 7000 feet of fiber and conduit to improve the main campus network. The new fiber will push data around the camp at 10 Gigabits per second!

Tech Serve volunteers showed up this fall and began excavating the route for the conduit. The crew included Dale Jones and his daughter Jackie, Weston, and Jacob Syverson. The project took around a week of digging, trenching, scrapping, laying out cable, pushing, pulling, terminating, and getting dirty, cold, and muddy! For sure there were plenty of days of sunshine, and lots of fun! If you would like us to help you with a fiber project, please contact us!

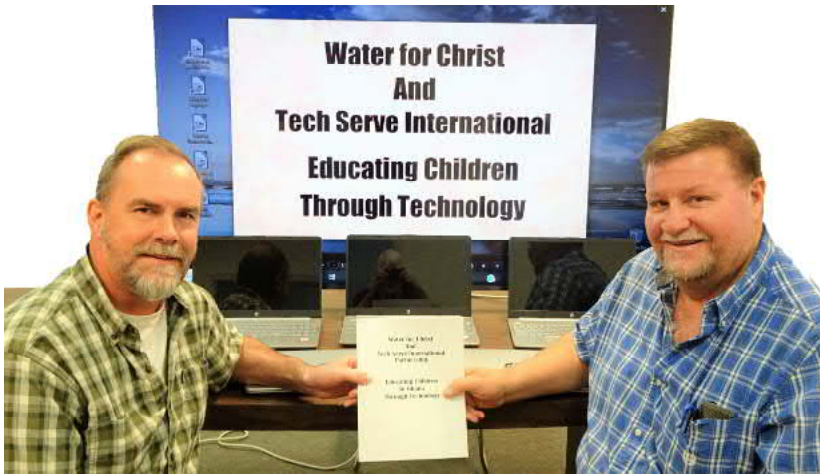

Volunteers Dale Jones and Jackie, along with Forest Springs Missionary IT Director, Michael Drackley

Dale operates most any equipment, so thankful for his willing skills!

Jacob in the dirt with the gophers & moles

Tech Serve is pleased to partner with Water for Christ in using technology to educate children. The program uses a laptop playing 1700+ HD videos spanning from Kindergarten Math to High School Science, as well as many Bible stories in video form for all ages. The program has been very successful in Ghana, children grow up hearing about Jesus while being educated in basic and advanced subjects.

Tech Serve procures and loads the laptops and TV's, and Water for Christ provides distribution to the many waiting Church Schools in Ghana. \$1000 can deliver a system with all videos to a Church school where children benefit! If you are interested in sponsoring a system, please call the office.

Tech Serve is indebted to so many of you who pray for us, support us, and go with us to be a help to so many. You make serving a Joy and we are privileged to work along side of you! Please feel free to call or visit our website for more information. 501-679-2120 www.techserve.org

Thank You for supporting Tech Serve!

Tech Serve recently partnered with the Peace Project to ship a container full of food for the people of Haiti, who came to a nearby clinic requesting food after the recent earthquake.

Thank you Darrell and Jacob!

Tech Serve shipped a container to Ghana earlier this year with a School building for Orphans which will be erected this spring. Pray with us for the right crew! Also on board were thousands of packages with school supplies from EIM Ministries, as well as many water pumps to be installed in villages in Ghana with Water for Christ. Pictured below with the water pump is Pastor Moses (left) and Pastor Amos (orphanage director, on right).

We can be His hands to help others!

Container full of Medical supplies and equipment to Ukraine

Wes, Dave Fulmer & Jacob Syverson

Below—John & Kimberly Ditty from Global Hope in Action directed the sorting!

Right—Carol and Dave Fulmer helping in many ways

Tech Serve was able to partner with Global Hope in Action and send an entire container full of donated Medical supplies and equipment to a Christian Medical facility in the Ukraine. Thank you volunteers!

Nurses Kay & Julie spent time sorting supplies with John & Kimberly Ditty

Dave Fulmer, Weston and Jacob packing the container.

Thank you Jacob for your smiles! J
